HEY, SUGAR

### And Here We Have a Pie Inside a Cupcake

A chocolate-cookie-crust mini chocolate cream pie would be good on its own. But say you took that pie and baked it into a red velvet cupcake, then topped *that* with cinnamon cream cheese frosting and a champagne-filled chocolate truffle, then gave it a “let’s try and make this thing viral” name like, oh, PieCupen. Okay, okay, we’ll investigate. But only because of the imminent Valentine’s Day situation.
